Table: Pauses In Di-Syllabic Five-Letter Word Examples

Table: Pauses In Di-Syllabic Six-Letter Word Examples

Table: Pauses In Di-Syllabic Five-Letter Word Examples
With A Single Middle Consonant Sound Which Is Repeated

Table: Pauses In Di-Syllabic Six-Letter Word Examples With A
Single Middle Consonant Sound Which Is Repeated

Table: Pauses In Di-Syllabic Five-Letter Word Examples With
Two Different Adjacent Middle Consonants

Table: Pauses In Di-Syllabic Six-Letter Word Examples With Two
Different Adjacent Middle Consonants

Table: Pauses In Di-Syllabic Five-Letter Word Examples With
Two Similar Adjacent Middle Consonants

Table: Pauses In Di-Syllabic Six-Letter Word Examples With Two
Similar Adjacent Middle Consonants

Table: Pauses In Multi-Syllabic Words Of More Than Six Letters

Table: Multi-Syllabic Words of More than Six Letters

Section: Applying the American Syllabication Principle

Section: Exceptions to the American Syllabication Principle

10. Lane 2: Tempo when Speaking the American Way.

Table: Showing Pauses: Parts and Syllables – The American Way

Table: Word Examples With Mid-Parts

Table: Single Syllable Words Which Occur Frequently

Table: Other Common Single Syllable Words

11. Lane 3: Characteristics of the American Voice.
12. Lane 4: The Way Americans Articulate Vowel and Consonant Sounds.
 - Section: An Overview of the Vocal Fidelity Phonetic System
 - Section: Vocal Fidelity Phonetic System – Pauses
 - Section: Introducing Vowels and Consonants
 - Section: Vowel Forms and Symbols
 - Table: Vocal Fidelity Phonetic System Vowel Forms And Symbols
 - Section: Vowel Sequence Vocalization
 - Section: Vocal Fidelity Phonetic System – Vowel Modulations
 - Table: Single Vowel Modulations – In Single Syllable Word Examples
 - Table: Single Vowel Modulations – In Di-Syllabic Word Examples
 - Table: Single Vowel Modulations – In Multi-Syllabic Word Examples
 - Table: Widely Prevalent Dual Vowel Modulations In The American Accent
 - Section: Word Ending Vowel Sounds Said the American Way
 - Table: Word Ending Hard or Long Vowel Sounds
 - Table: More Examples Of Words Ending With The Short Vowel Sound
 - Section: Understanding Consonants and Consonant Sounds
 - Section: The Accentuation of Consonants
 - Section: The American Consonant Accentuation Principle
 - Table: Consonant Position Accentuation Norms
 - Section: Distinctive Consonant Sounds in the American Accent
 - Table: The Most Distinctive American Consonant Sounds
 - Section: Less Different American Consonant Sounds
 - Table: Less Different American Consonant Sounds
13. Plotting your Progress: Traversing the Lanes.

PART 3: VOCAL PATTERNS IN AMERICAN ENGLISH.

14. Vocal Patterns: Recurring Vowel Consonant Sequences.
 - Section: The Basic Vocal Elements in Vocal Patterns
 - Section: Understanding Vocal Patterns
 - Section: Representing Vocal Patterns
 - Section: Why format a Vocal Pattern as done in this Course?
 - Section: The Advantage of The Vocal Pattern Bridge
 - Section: The Vocal Pattern Tables
 - Table: Learning Priority and Learning Sequence
 - Table: The Vocal Pattern Bridge

15. Recognizing Vocal Patterns – Using Word List Tables.

Tables: Word Lists From Priority-Sequence I/1 Vocal Pattern AD -
I/1 Through Priority-Sequence I/3 Vocal Pattern IZAT

PART 4: VOCALIZING VERY COMMON WORDS THE AMERICAN WAY.

16. Vocalizing Common Words the American Way.

Table: Very Common Words Vocalized The American Way

PART 5: LANGUAGE THE AMERICAN WAY.

17. Using Certain Words like Americans.

Table: Words Used The American Way

18. Moving Ahead, From Here.

Table: Looking Ahead At A Few Vocal Patterns From
The Vocal Pattern Inland Table

PART 6: APPENDICES.

I. A. Vocal Fidelity Phonetic System: Pauses & Syllables

I. B. Vocal Fidelity Phonetic System: Scripting Vowel Sounds

Table: Vocal Fidelity Phonetic System: Scripting Conventions For
Vowel Sounds

I. C. Vocal Fidelity Phonetic System: Scripting Consonant Sounds

Table: The Vocal Fidelity Phonetic System: Scripting Conventions
For Consonant Sounds

II. A. Vocal Fidelity Phonetic System: Scripting Vowel Sounds

Table: Scripting Conventions Applied: Phonetic Symbols For
Vowel Sounds.

II. B. Vocal Fidelity Phonetic System: Scripting Vowel Sequences

Table: Scripting Conventions Applied: Phonetic Symbols For
Vowel Sequences

III. A. Vocal Fidelity Phonetic System: Consonant Inherent Attributes

Table: The Consonant Sound Inherent Attribute List

III. B. Vocal Fidelity Phonetic System: Inherent Attributes Of Each Consonant
Sound

Table: Consonant Sounds And Their Inherent Attributes

III. C. Vocal Fidelity Phonetic System: Phonetic Symbols For Consonant
Sounds

Table: Scripting Conventions Applied: Phonetic Symbols For
Consonant Sounds & Sequences

IV. Words with Irregular Vowel Consonant Sequences

Table: Vocalizing Words With Irregular Vowel Consonant
Sequences

- V. The Development of this Course: Knowledge Creation and Quality
- VI. Glossary
- VII. Bibliography
